Advance HD

LIMITED EDITION

THE ADVANCE HD CARBON EDITION PERFORMANCE REDESIGNED

Our exclusive Limited Edition gun design is inspired by the sleek aesthetics, design flexibility and lightweight strength of carbon fibre. This contemporary finish not only enhances the gun's appearance but also symbolises the synergy of style and functionality at the heart of DeVilbiss.

PERFORMANCE REDEFINED

This Carbon Limited Edition gun enhances the unrivalled high performance and productivity of the Advance HD gun. New design technology enables the precision-engineered air caps and fluid tips to produce superior atomisation with consistent even distribution throughout the spray pattern.
